

Do you realize that currently less than 10% of ACA Heart of the South members are actively participating in the section's affairs?

Would you like for that number to be higher?

If you would, then this is your opportunity! The section is consistently looking for help from its members. We are looking for people to serve on the board or committees.

If you would like to become more active in the section, please fill out the leadership pool form below. Feel free to contact anyone on the board if you have any questions. We can't wait to hear from you.
